

LOOKING TO CONTINUE SCOUTING AFTER 2020?

Are you looking to continue your scouting experience after 2020? If so, Troop 999 may be what you are looking for.

We camp every month. We let the boys run the program. We wear the full scout uniform. We follow the scout oath and law.

Drop by one of our troop meetings and see how we operate. We think you will appreciate the difference a traditional scout troop can make in your son's life.

* We emphasize all 8 methods of Scouting, not just advancement. Boys who are just looking to finish their Eagle may not be a good fit for Troop 999.

TROOP 999

A TRADITIONAL SCOUT TROOP

OUR PHILOSOPHY

We believe that character counts. We take every opportunity to let boys grow and develop into strong leaders by teaching strong values.

We believe that boys learn best by doing and learning from their mistakes. We provide an environment

where boys can safely make mistakes and grow from them.

ACTIVITIES

Our troop is very active. We camp at least once per month. We attend summer camp every year. We do service projects regularly. We sponsor the flag day ceremony for the Provo Freedom Festival each year.

SERVICE

Our troop is very service oriented. Each Patrol has a bimonthly service project.

The troop also does service regularly including maintaining a section of the Bonneville Shoreline Trail near Bridal Veil Falls, sponsoring the flag

day ceremony for the Provo Freedom Festival, sponsoring a sub for Santa family and doing various service projects for individuals, schools and the community.

TRADITIONAL VALUES

We are a very traditional scouting group.

We expect boys to wear the scout uniform and to uphold the scouting principles de-

tailed in the Scout Oath and Law. We expect our boys to behave like scouts at all times, whether they are at a scout meeting, at school or at home.

PARENT INVOLVEMENT

Parents are an important part of our troop. We strongly encourage parental involvement in our troop and parents are always

welcome at any troop activity. All parents are automatically members of the troop committee and we hold a monthly parents meeting to discuss what the troop is doing and to determine what we as adults can do to support the boys.

ADULT LEADERS

Our adult leaders have decades of leadership experience, not just a few weeks on the job. Our scoutmaster has over 25 years of experience as a scoutmaster and a degree in child psychology. Our assistant scoutmasters typically have five to 10 years of adult scouting experience each.

See the back of this flyer for information on our meeting days, locations and times.
